Thursday 11th February 2021

Dear Parent/ Carer,

I am writing to gauge interest in whether musical instrument tuition would be of interest to your child/young person at Red Moor School. The tuition will consist of up to a 30 minute weekly lesson either as an individual or in a small group, according to interest in the particular instrument and the needs of the students wanting to learn. The lessons will be provided by the Cornwall Music Service Trust and would be based at Red Moor School during the school day; however, times can be changed weekly so that the children are not consistently missing the same lessons.

There will be no charge for providing this service as the school will fund the tuition.

If your child does not already own the instrument they would like to learn, or if the school does not have an instrument for them to borrow, you may like to hire one; such services as the Cornwall Music Education Hub offer a hire scheme for students. You can find more information about this on their website:

<https://www.cornwallmusiceducationhub.org/what-we-do/instrument-hire/>

Although we may be limited slightly as to tutor availability for different instruments, we will try our best to accommodate the musical interests of all children.

If your child/young person would like to take this opportunity to learn an instrument, please let your child's tutor or myself know what instruments they might like to learn by Thursday 4th March. We anticipate that, if there is sufficient interest, music tuition will begin in the Summer Term.

Yours sincerely,

Hayley Martyn
Head of Faculty for the Arts
