Introduction

The term EAL is used when referring to pupils whose main language at home is a language other than English. This policy sets out the School's aims, objectives and strategies with regard to the needs and skills of EAL pupils.

Aims

- To welcome and value the cultural, linguistic and educational experiences that pupils with EAL bring to the School.
- To implement schoolwide strategies to ensure that EAL pupils are supported in accessing the curriculum
- To help EAL pupils to become confident and fluent in English in order to be able to fulfil their academic potential.

Objectives

- To be able to assess the skills and needs of pupils with EAL and to give appropriate provision throughout the school
- To equip teachers with the knowledge, skills and resources to be able to support and monitor pupils with EAL
- To monitor pupils' progress systematically and use the data in decisions about classroom management and curriculum planning.
- To maintain pupils' self-esteem and confidence by acknowledging and giving status to their skills in their own languages

Strategies

School/Class Ethos

- Recognise the child's mother tongue; boost the child's self-esteem. Remember he/she has the potential to become a bi-lingual adult
- Classrooms need to be socially and intellectually inclusive, valuing cultural differences and fostering a range of individual identities
- Identify the pupils strengths
- Acknowledge the time it takes to become fluent in an additional language, with a good command of the range of language needed for academic success

Teaching and Learning

- Assess the pupil's competence in English in relation to the NC standards and expectations as soon as possible
- Show differentiated work for EAL pupils in planning
- Have high expectations; expect pupils to contribute and give you more than one word answers

- Monitor progress carefully and ensure that EAL pupils are set appropriate and challenging learning objectives
- Recognise that EAL pupils need more time to process answers
- Allow pupils to use their mother tongue to explore concepts
- Give newly arrived young children time to absorb English (there is a recognised “silent period” when children are beginning to understand more English than they used to – this will pass if their self-confidence is maintained)
- Group children to ensure that EAL pupils hear good models of English
- Use collaborative learning techniques
